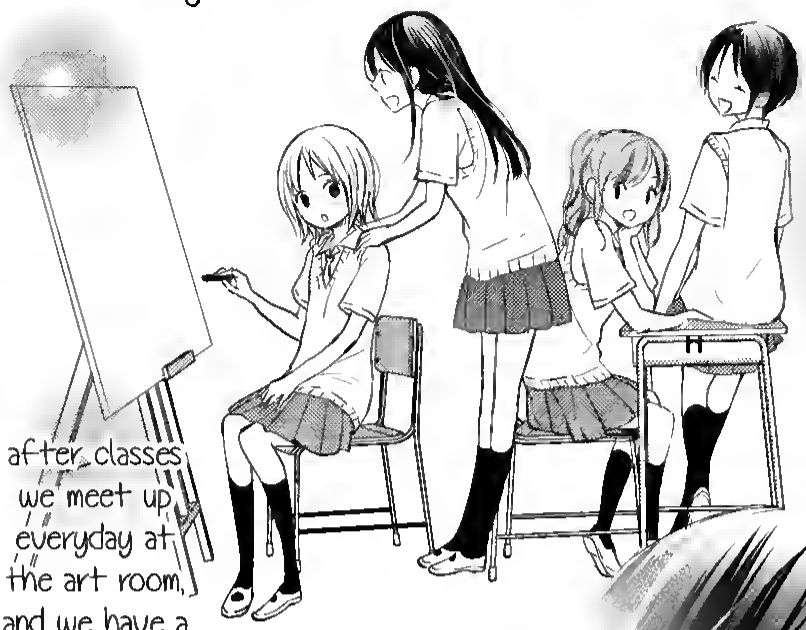
Kiss.....
Sunset
rooftop

[茜色の記憶]
Madder Memory



We are a group of four friends,

after classes we meet up everyday at the art room, and we have a lot of fun (I'm the only member of the art club).

In this group the brightest, optimistic, and the most serious member is Kiyo by far.

Without exception,

she's liked by everyone. I like her a lot too...

Kiyo is a
light for me.

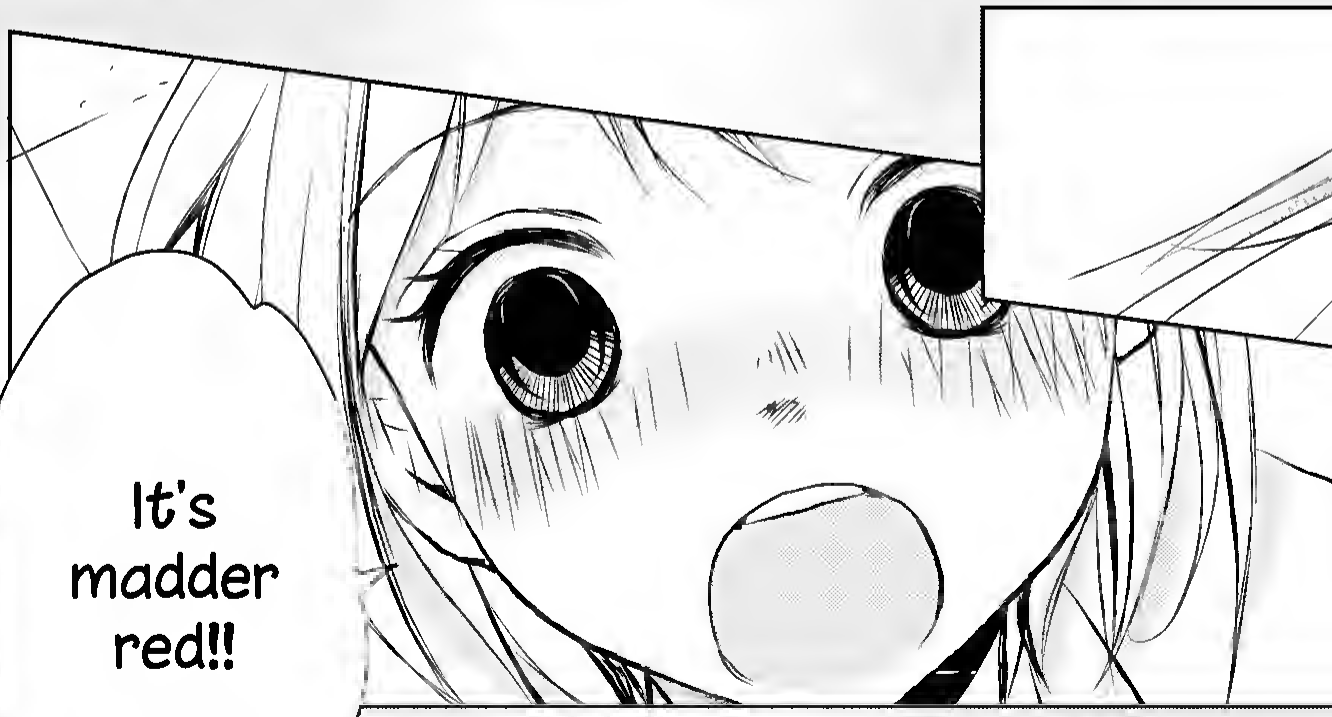
Hey everyone, it's been a long time♪
Eh!! Wha- Kiyo!?
Ki- yoooo !!!
Ay! Hello hello.
You sur- prised me!! That's so sudden!
What about your health!? Aren't you still hospi- talized?
You can come back to school already?!
I ran away for a bit★
Eeeehh~! Shouldn't you go back then!?

It's been a while~ Miko!
!
You're so rude, even though I ran away from the hospital~
I- it- wasn't a while! I thought you wouldn't...!!
You didn't get permission!?
What would you do if you got sick? This isn't okay at all!
rattle
Wow! The usually chill Miko is mad!
That's so rare!!
Miko doesn't behave like the same person when it comes to Kiyo, you know~

After all, I wanted to meet everyone.
Anyway it's fine, I'm ok! You don't have to worry!
Kiyo's face after not seeing her for ages,
and her even slimmer body since the last time we met...
What should I do? I think I'm going to cry.
What am I doing, why am I crying!? I shouldn't sob like this!

Ah, I know!
Hurry up, come with me! The sun is setting outside!
It's very pretty!
Eh?
You can't stay locked up in a room drawing all day, that's such a waste!
Eh,
Go for it!
wai- you can't ru- Kiyo!
Which one of us are you encouraging?
Hahaha!

Woow, amazing!
Isn't it!!!



It's madder red!!

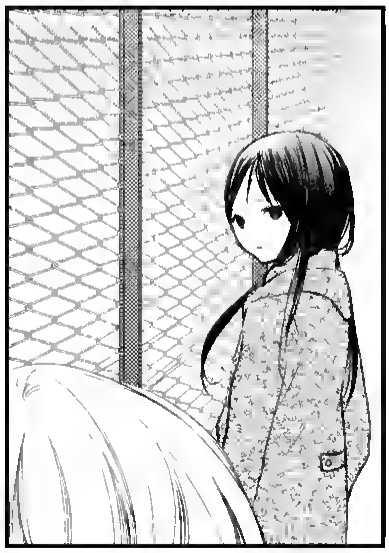
Alright!
I'll draw!
Anyhow, since we're here, let's draw~!
What? It's cold here!!
Eh! Kiyo, you can't draw!
And with a permanent marker!?
spreak spreak spreak
Hehehe!
Hey, where are you drawing!?
People will be mad!!
*sneeze
Hmph

Hihi,
this is warm...
You know.

This isn't all that weird...
Ahaha
This is weird, we're both girls and we're always doing this...

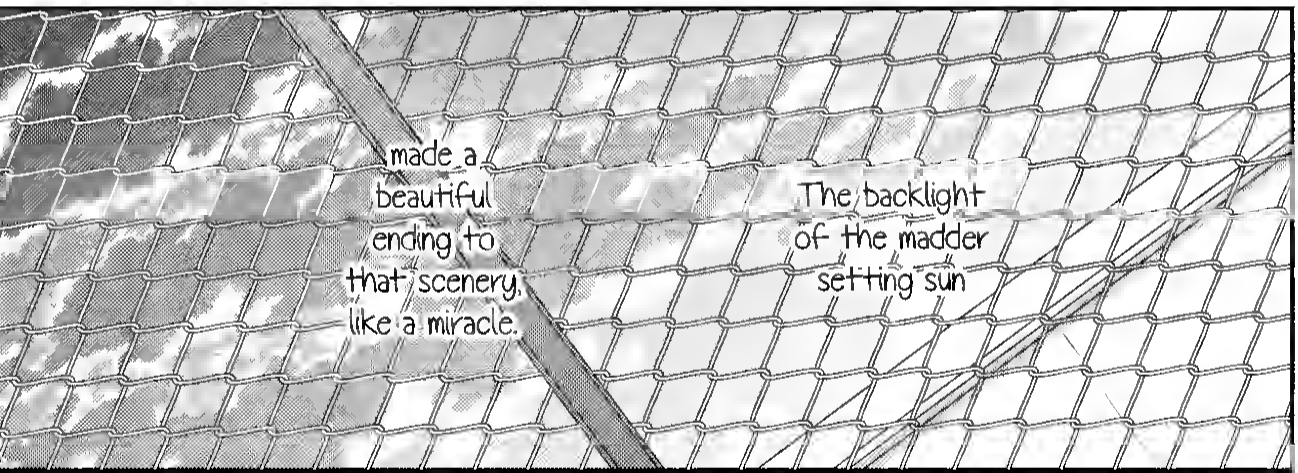
I love you Kiyo.
Because,

...I see

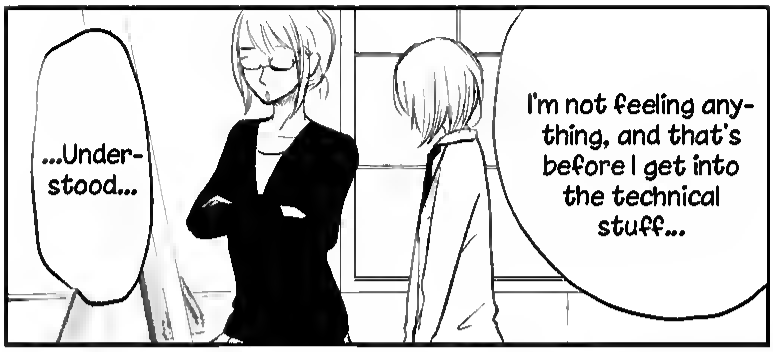


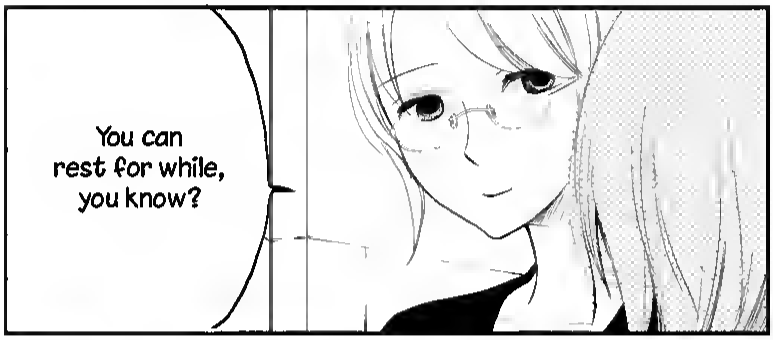
Uuh... the roof is cold as I expected, let's go back to the art room.
... Yeah.
She said "I see"...?
So far,
Kiyo never replied.
But it doesn't feel like she's refusing either.
Kiyo.

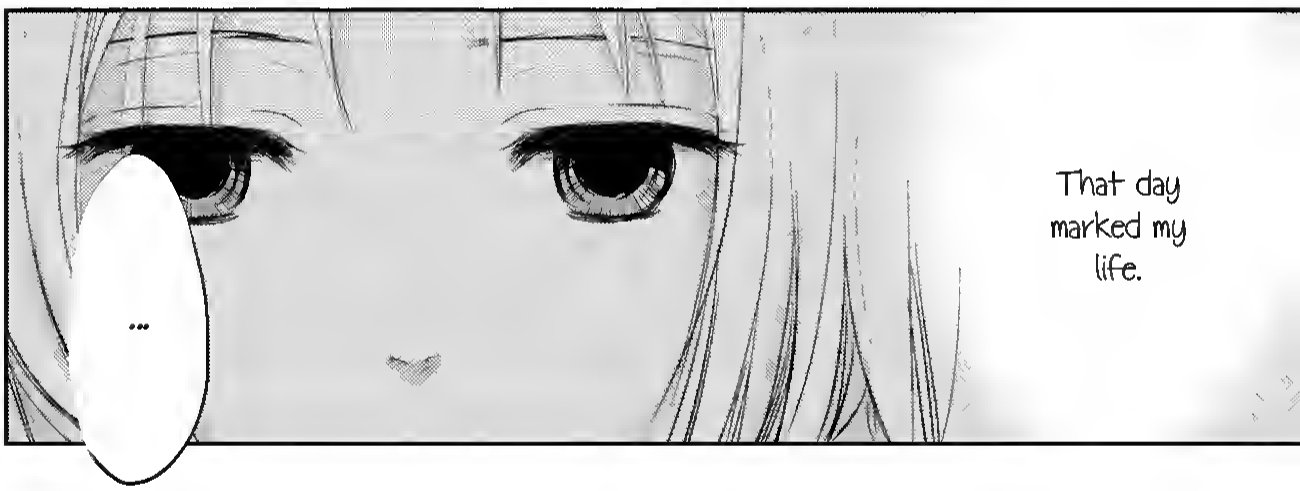
Are you going to come to school again tomorrow?
Well I don't really know, I can't run off like this all the time.
I want to meet you everyday.
I want to be together with you every single day.
And then, as always,



Tomorrow didn't come for Kiyo.







My tomorrows became empty.

Yeah, there was no freaking way...
Yes, yes, it's impossible to do anything more than what we're capable of!
...
Miko!
!
Cheer up! There's a shit-ton of concours in the world, it's no big deal.
Miko, you're the one who stuck with Kiyo the most...
But hasn't it been more than a month since she went away...?

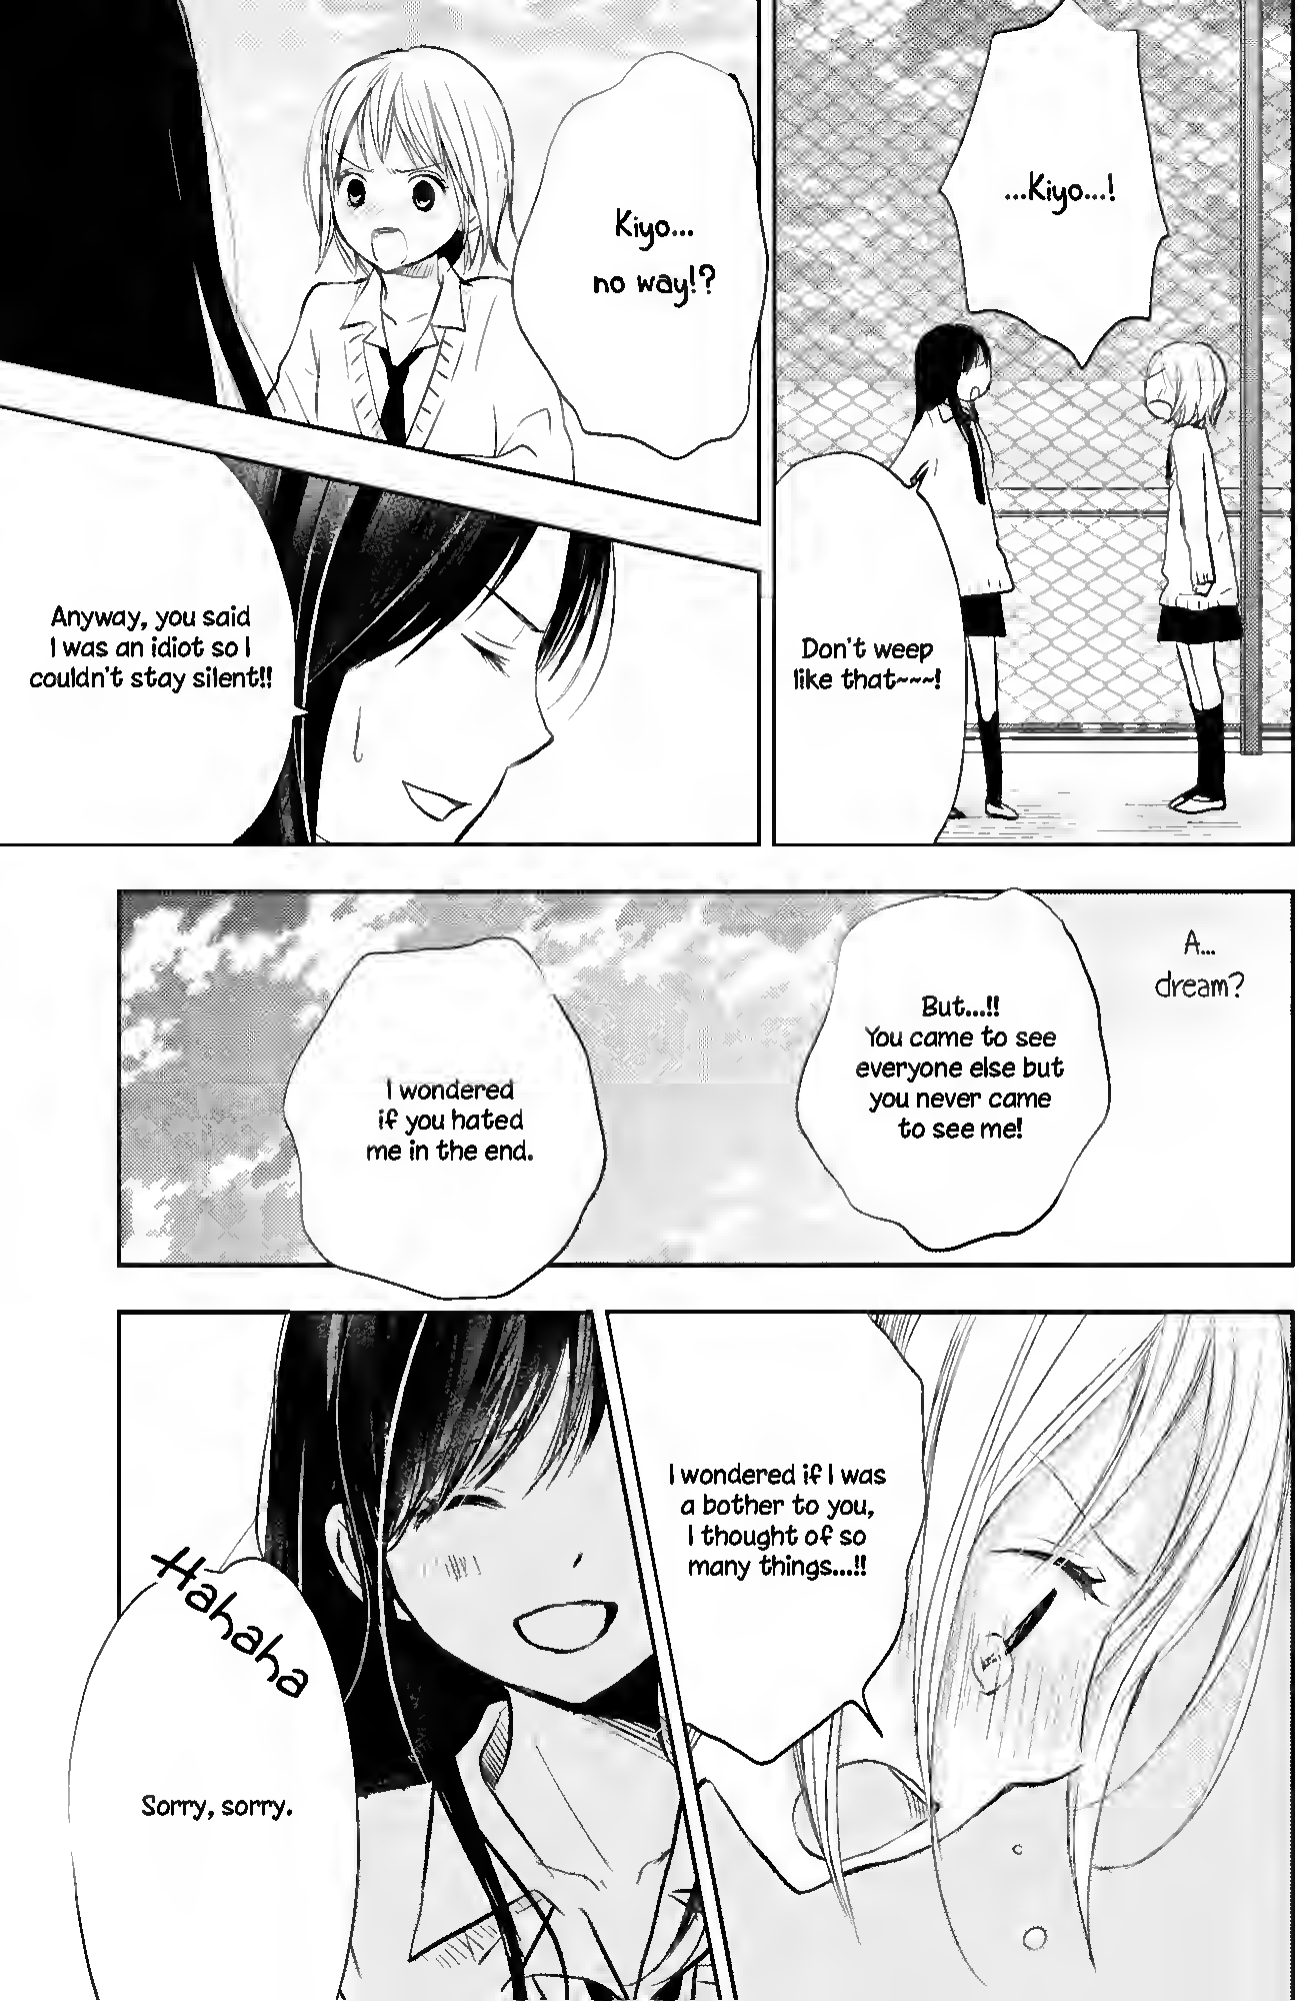
Eh...?
As always, she laughed like an idiot! And she said "bye bye."
After all, she showed up in a dream and talked with me.
Ah, this is calm, as expected~
Anyway, I still can't believe it...
No way! Oh no, I'm crying!!
Eh, eh, wa-...
Ah, I saw her too! That's right, I had a dream about Kiyo too!
Did she come to give us a last greeting?
Miko, what about you? Have you seen that dream?
ぎゅっ

*thump
*thump
*thump

I'm the only one
who didn't see it...

Why...
I want to meet you... Kiyo...
I want to see youuuu...!!
Why don't you come!?
Idiot!!

You're crying again! Oh dear!



Kiyo... no way!?
Anyway, you said I was an idiot so I couldn't stay silent!!
...Kiyo...!
Don't weep like that~~~!
A... dream?
But...!! You came to see everyone else but you never came to see me!
I wondered if you hated me in the end.
I wondered if I was a bother to you, I thought of so many things...!!
Hahaha
Sorry, sorry.

Idiot!
Kiyo is here.
it's Kiyo.
I don't care even if this is a dream.
Wah! Don't get mad!
You're an idiot!
I am mad!

You went away so fast...!!
You really are a dummy...
I'm sorry, you know...
I was always happy to hear about your feelings for me.
The truth is, I couldn't reply properly.

I absolutely don't want to forget you, Miko.
That's why I decided, so that I won't forget you even a little,
to come see you for the very last time.
I'm sorry for kissing you so selfishly.

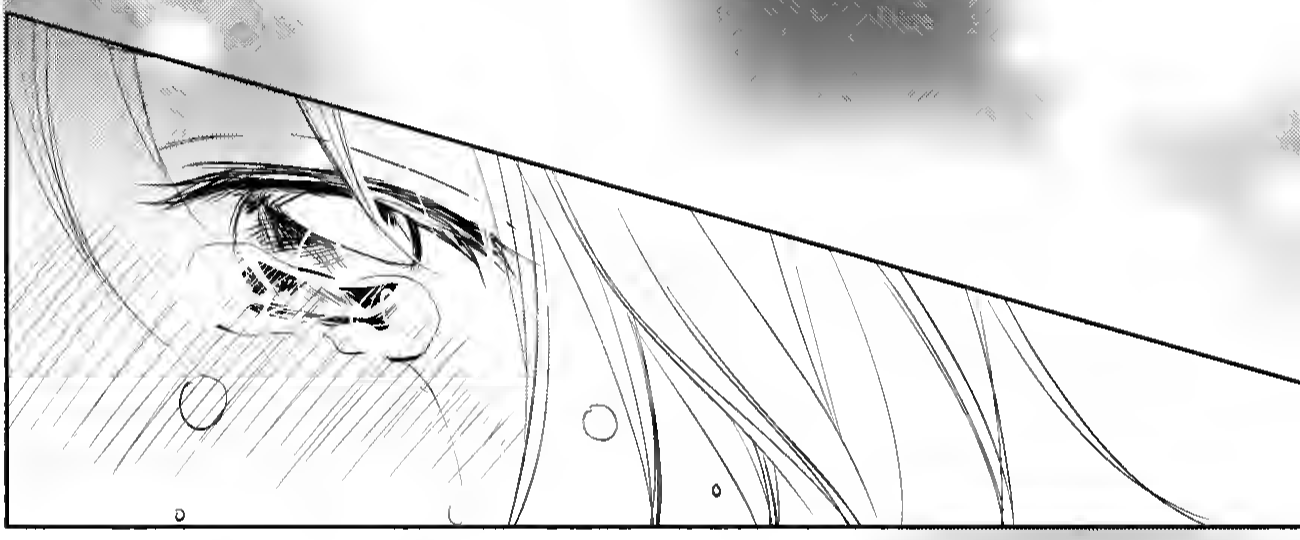
Ki- Kiyo!
Miko, forget about me.
*dash
No, Kiyo...
Don't stop me.
Make sure to look ahead, go forward,
and become happy.
Kiyooooo!!

Her smiling face that looked like the sun disappeared,
A...
dream ...
absorbed into the madder sky.

I held out my hand

and the light was so dazzling

that I couldn't even open my eyes anymore.



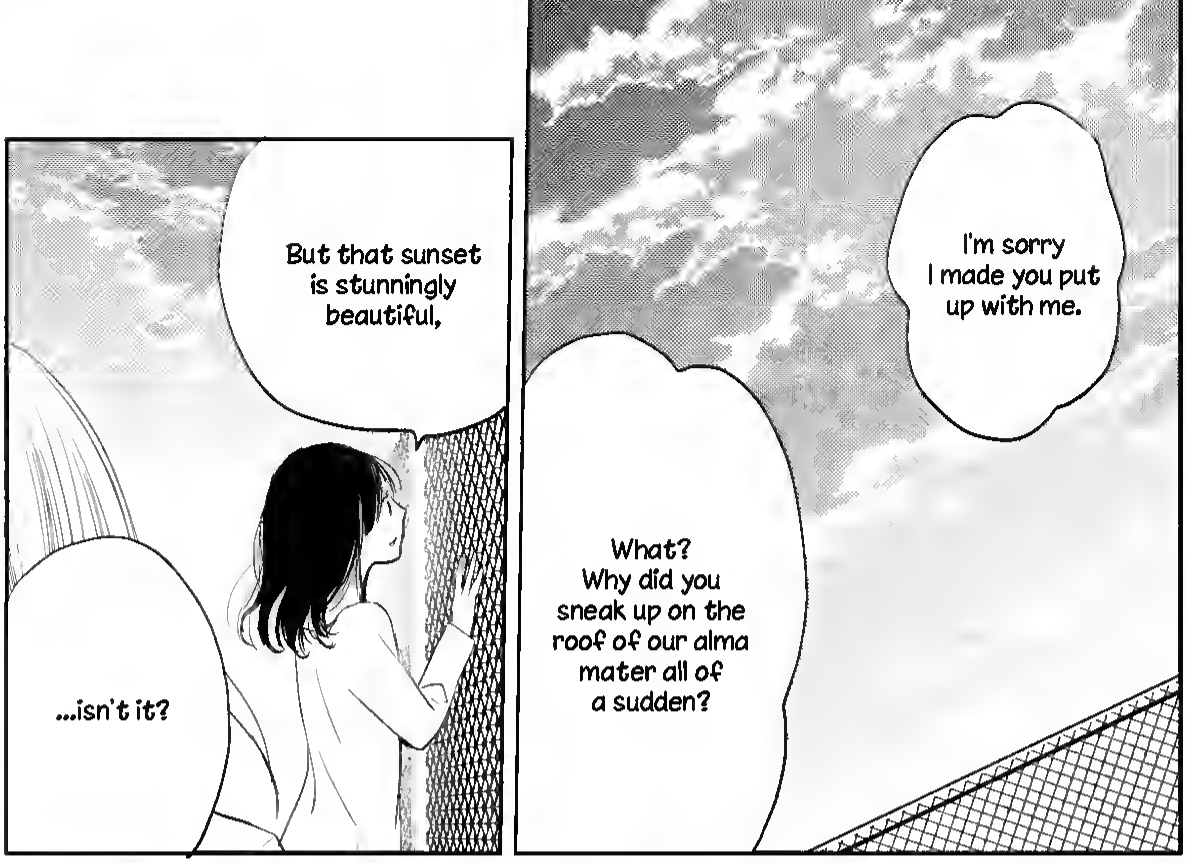
Even though I'll look forward,

I will burn even just a bit of you into my memory,

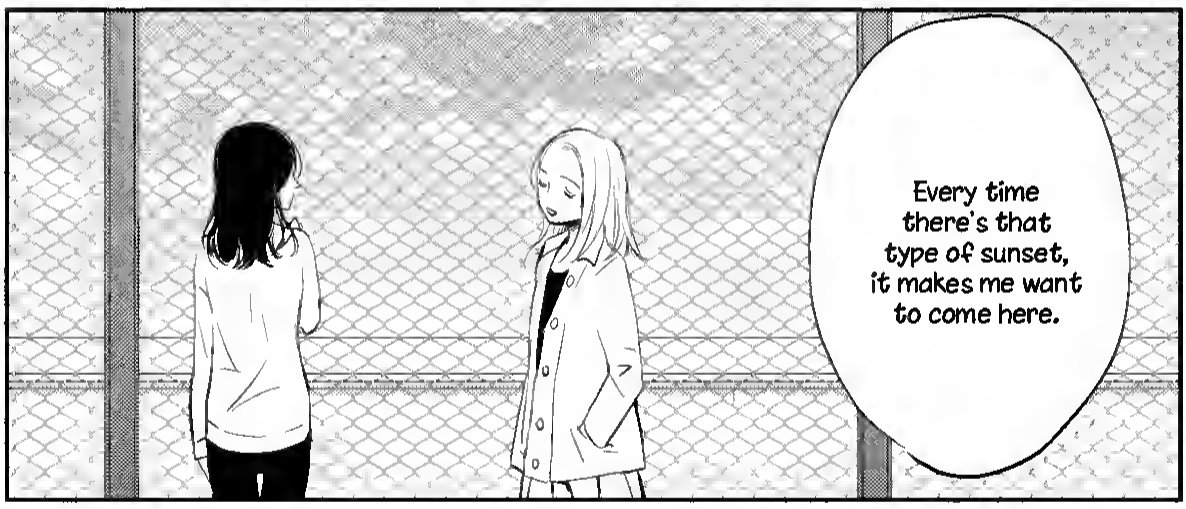
forever,

and ever.

What were you doing!? It's cold, let's leave soon!
Miko~
*open
Your happiness is my happiness Ki-yo



I'm sorry I made you put up with me.
What? Why did you sneak up on the roof of our alma mater all of a sudden?
But that sunset is stunningly beautiful,
...isn't it?



I can't forget you completely Kiyo,

that's never going to happen.

Tens years may have passed,
but you are certainly still inside me.

I will come back!!!
!!
Why are you shouting all of a sudden...! Who are you talking to? You startled me!
Hahaha.
Let's go!
fin.
